Drive: make his family and girlfriend proud

Flaw: scared to lose people and things dear to him

Need: be brave and let go

MORE ABOUT DWAYNE:

He used to think hip-hop is only for Black people. As more Asian rappers rise, he feels like they are ripping off their culture

Was bullied in his childhood

Quick and witty with his freestyle in battles

Wants to marry his ill-girlfriend

Natalie. She's his rock.

Tough guy with a soft heart

MUSIC STYLE:

Aggressive, Heavy beats

MEGAN WEBSTER

NETFLIX

"BROKE TO BILLIONAIRE, THAT'S MY KIND OF B2B."

RUBY LEE

Contestant/ Finalist

Goal/Want: be free to make her own music on her own terms

Drive: tired of being marketed as a product, not as an artist with individuality

Flaw: lack of self love and confidence in her work

Need: love herself more

MORE ABOUT RUBY:

Has body dysmorphia

From Seoul, South Korea

Dropped out a K-pop girl group before debut because she can't express herself musically if she's with the group

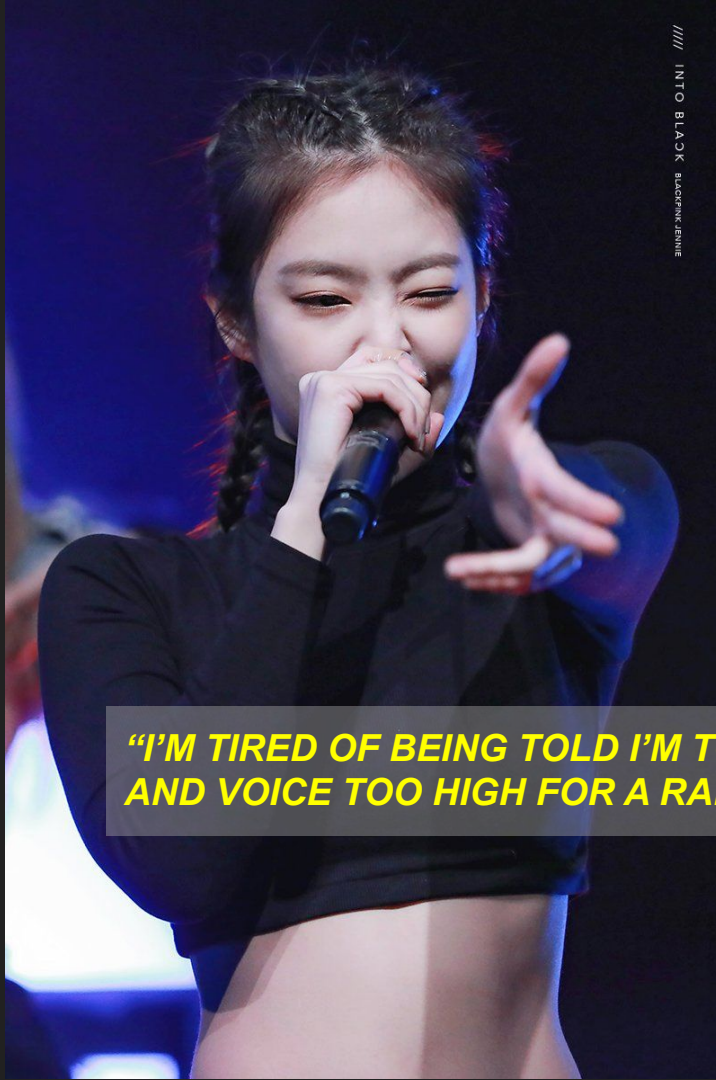

Assigned to be a vocalist in the K-pop girl group but really wanted to rap.

Fluent in Korean and English

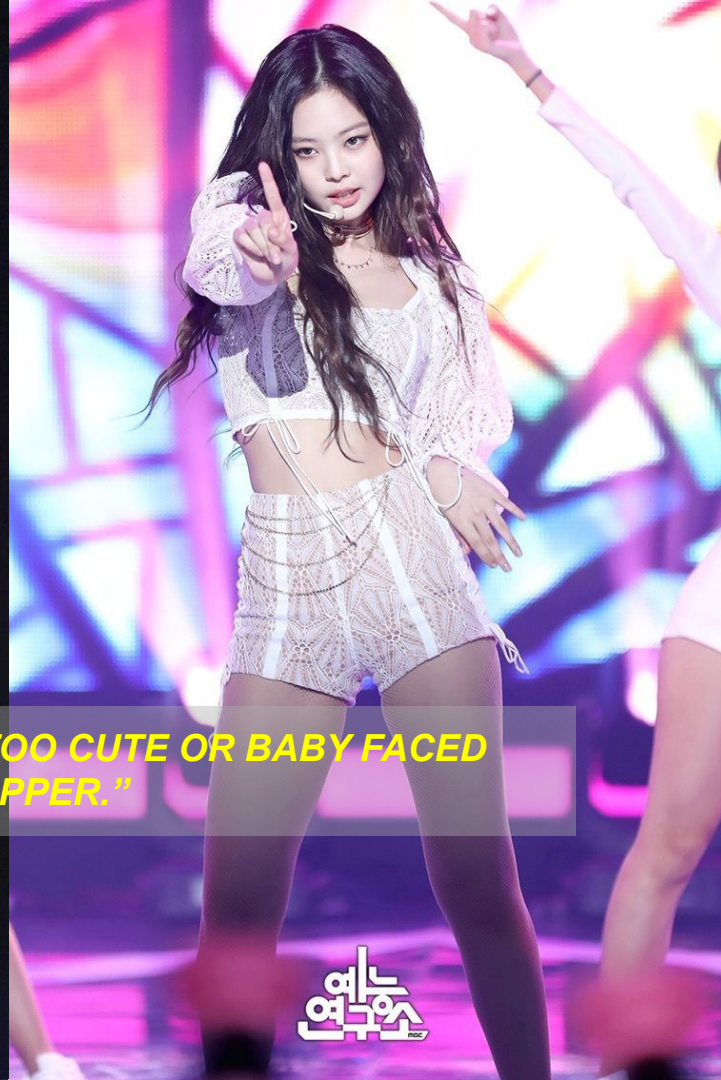

Makes her own food and brings on set

MUSIC STYLE:

[Korean Hip Hop](#)

"I'M TIRED OF BEING TOLD I'M TOO CUTE OR BABY FACED AND VOICE TOO HIGH FOR A RAPPER."

PHILIP FAN (AMANDA'S DAD)

Chef and Owner of a franchised Chinese restaurant

Inventive with his dishes

Wants the best for his daughter

He was more accepting about her becoming a rapper later on

First generation immigrants, worked really hard and saved money to make sure Amanda went to college and get an education

He struggled with money so he doesn't want Amanda to go through what he did

"I'M RELIEVED THAT AT LEAST THERE'S STILL SOMETHING THAT GETS HER FIRED UP."

CHRISTINE FAN (AMANDA'S MOM)

Cashier and Co-owner of a franchised Chinese restaurant

Conservative and fear of change. Wants stability for her family. Perfectionist.

Likes to show off among her friends about her daughter being an investment analyst and dating a Morgan Stanley Broker boyfriend (Harry)

Deeply insecure and lack confidence in herself

Needs to understand even if it's coming from love, if it's controlling, it's not good for both her and Amanda.

HARRY (AMANDA'S BOYFRIEND)

Meet Amanda during college after hearing how she infamously blasted a diss track about her cheater ex-boyfriend of his classmate and immediately got him interested in her (this girl is reckless but got guts)

Ambitious, mature, husband-material and family oriented, wants to marry Amanda and have a family with her. Works at Morgan Stanley as a Broker. His busy work life led to Amanda feels being neglected at times.

Amanda's parents LOVE him, sees him as THE son-in-law

His disapproval of Amanda's rapper dream because he thinks it's the obstacle of his plans to start their family lead to the breakup

He was brought up in a similar household like Amanda so he understands why her parents want her to pursue a safe career

Devastated when Amanda chose her dreams over him and fell out of love with him

KYLIE (AMANDA'S COLLEGE BESTIE)

Met Amanda in her freshman year

Kylie has been through all Amanda's breakups and dramas, she knows about Eric and Harry and the cheater ex-boyfriend

She also works at the same company with Amanda (best friends and colleague)

Wasn't supportive of Amanda's rapper dreams at the beginning

Deep down she envies Amanda has the courage to pursue her dreams fearlessly

Needs to not let her jealousy ruin their friendship

SAM (AMANDA'S BOSS)

Hired Amanda when she first graduated from college

Taught her everything she know, saw her as valuable person for the company. Even sees Amanda's ability to one day be able to take over herself when she steps down.

Tough boss but juniors learn a lot from her.

Upset to see Amanda gets distracted and putting her career on the line for the rap competition

Saved Amanda a few times from getting fired, but eventually had to fire her
