INT. ROOFTOP BAR IN DOWNTOWN NYC - NIGHT

BRANDON, 25, walks into a bar in downtown with his best friend THEO, 25, for a drink. They sit down at a spot with nice views of the skyscrapers.

THEO  
Two pina colada please!

Theo takes two pina colada from the bartender and hands one of them to Brandon.

THEO (CONT'D)  
CHEERS TO MY BOY BRANDON! WHAT'S  
GOOD WALL STREET!

BRANDON  
Imma make money moves baby!

THEO  
Damn right you are!

Brandon and Theo drink. They see a party over in the center of the bar. A drunk SARAH in a red bodycon dress walks over to Brandon and Theo. JACKIE rushes to Sarah to stop her from acting reckless.

SARAH  
Yo wish me happy birthday bitch!  
DRINKS ON ME!

Brandon and Theo laugh. They cheer with Sarah and drink.

BRANDON  
The Birthday Girl is getting lit!

SARAH  
I KNOW THAT'S RIGHT!

THEO  
A little too lit.

BRANDON  
I wouldn't mind free drinks and a  
good time.

THEO  
If it's free I'm in!

Brandon and Theo laugh. Jackie grabs Sarah and apologizes to them.

Jackie looks at Brandon and Theo embarrassed. Brandon checks out Jackie in her white bodycon dress and smiles at her.

JACKIE

I'm so sorry my friend is really drunk here.

SARAH

YO listen, I ain't drunk. You know, things are clearer when I'm intoxicated. No more filters, only honesty.

JACKIE

Girl that's enough. Oh god I'm so sorry.

Sarah struggles to get rid of Jackie's grip.

BRANDON

No not at all! You want us to walk with you? Those men are literally gawking at you two.

Theo chuckles.

JACKIE

Oh... that wouldn't be necessary...

BRANDON

Come on, let me be a gentleman once. I'll buy you a drink.

Jackie smiles at Brandon and subtly checks him out. They hold on to Sarah as they walk back to the party. Theo walks behind them.

JACKIE

I'm really sorry... again...

BRANDON

Hey stop apologizing! It's really all good.

JACKIE

She can be crazy sometimes... but it's her birthday who can blame her.

BRANDON

The party looks great by the way.

JACKIE

Well we planned it for her birthday  
so it has to be perfect.

SAMANTHA in a short black dress rushes over to Jackie and  
looks worried.

SAMANTHA

Is Sarah okay?

JACKIE

She is drunk with a capital D.

SAMANTHA

Oh no... I should get an Uber and  
take her home.

JACKIE

Yeah, that would be better than  
leaving her harassing the whole bar  
within the next 20 minutes. Oh by  
the way, this is Brandon and Theo!  
Victims of Sarah's harassment who  
are nice enough to take her back  
here with me.

Brandon laughs at Jackie's humor. Theo smiles at Samantha.

SAMANTHA

Hi I'm Samantha! Nice meeting you  
guys!

BRANDON

Brandon. Likewise.

THEO

Theo here. You girls KNOW how to  
party.

SAMANTHA

Haha! We should hang out next time.  
You know when Sarah is sober.

THEO

Oh I'm sure we'll get along just...  
fine.

SAMANTHA

I better call an Uber now and take  
her home.

JACKIE

I'll come with you.

SAMANTHA

Hey it's fine! I can take care of her. You just got here not too long ago.

Samantha leans in to Jackie and whispers.

SAMANTHA (CONT'D)

I know he's so your type! Don't miss out on this SNACK! He's a TEN.

JACKIE

What are you talking about!?

SAMANTHA

Brandon! I know he's into you too.

JACKIE

Not you too Sam, you're starting to sound like Sarah.

SAMANTHA

I'm PSYCHIC! Just looking out for my sista...it's your choice.

Samantha subtly smirks at Jackie, signals Brandon to let her hold onto Sarah with Jackie and walk to the elevator.

JACKIE

I'll...think about it.

Elevator opens.

SAMANTHA

You guys are regulars here?

Jackie looks at Samantha surprised and shocked.

BRANDON

Yeah we are.

SAMANTHA

We'll see you guys around. Bye guys.

Jackie and Samantha walk into the elevator holding onto Sarah. Jackie and Brandon share a glance at each other as the elevator closes.

THEO

She's still at the entrance if you go down and catch her now.

BRANDON  
How about you?

THEO  
I'll get another drink and call it  
a night. You go do what you gotta  
do.

Brandon smirks at Theo.

BRANDON  
You know me too well.

Theo walks back to his seat and gets another drink. Brandon  
presses the elevator to go down to the entrance.

EXT. BAR ENTRANCE. - NIGHT

Brandon runs to the entrance and does not see Jackie. He  
looks everywhere. Suddenly he feels someone poking him at the  
back. He turns around and sees Jackie holding a pack of  
fries.

JACKIE  
Looking for something?

BRANDON  
Oh... yeah. Where did you get  
those?

Jackie eats a fries.

JACKIE  
Just a block away. I got hungry  
after all the drinks and dancing.

BRANDON  
Can I have some?

Jackie hands the fries to Brandon. Brandon takes a bite.

JACKIE  
Would... you want some coffee too?

BRANDON  
Are you gonna be my barista?

Jackie leans in to Brandon coyly.

JACKIE  
I have a coffee machine at my  
place.

Brandon rests his hand on Jackie's waist and pulls her in.

BRANDON

I love a good home brew.

INT. JACKIE'S APARTMENT. - NIGHT

Door opens. Jackie and Brandon kissing their way to the bedroom. Brandon pushes Jackie down to her bed while they undress each other passionately.
